First Announcement

Dear colleagues,

We are pleased to welcome you to the annual International Conference "Modern Development of Magnetic Resonance 2020" and the Zavoisky Award 2020 ceremony (www.kfti.knc.ru/en/zavoisky) supported by the Government of the Republic of Tatarstan which will be held in Kazan, Russia on September 28 – October 2, 2020.

The conference is organized under the auspices of the Groupement AMPERE.

THE SCOPE OF THE CONFERENCE

- Theory of magnetic resonance
- Low-dimensional systems and nano-systems
- Electron spin based methods for electronic and spatial structure determination in physics, chemistry and biology
- Molecular magnets and liquid crystals
- Spin-based information processing
- Strongly correlated electron systems
- Chemical and biological systems
- Medical physics
- Magnetic resonance imaging
- Other applications of magnetic resonance
- Modern methods of magnetic resonance
- Magnetic resonance instrumentation
- Related phenomena

IMPORTANT DATES

Deadline for the registration	April 13, 2020
Deadline for the submission of abstracts	April 20, 2020
Notification of the report acceptance	May 15, 2020
Opening of the conference	September 28, 2020
